- (a) The Department and the Concessionaire acknowledge and agree that: (i) the Disbursement Request is a submission requiring an Approval for purposes of Section 10.05 of the Agreement; and (ii) the "deemed approval" provisions of Section 10.05(e) of the Agreement do not apply to a Disbursement Request submitted pursuant to Section 3.
- (b) Within seven Days after approval by the Department of a Disbursement Request in compliance with Section 3, the Department will provide written authorization to the GARVEE Trustee to disburse funds from the VDOT Funding Account to the Department for the amount approved by the Department. Following disbursement to the Department by the GARVEE Trustee of the amount approved by the Department, the Department will pay such amount to or to the order of the Concessionaire within such seven-Day period.

- (c) If the Department determines that any portion of the Disbursement Request is not eligible for funding pursuant hereto, the Department may disapprove the requested funds corresponding to such portion of the Disbursement Request. The Department will notify the Concessionaire for the reasons of such disapproval, and provide written authorization to the GARVEE Trustee to disburse funds from the VDOT Funding Account to the Department to pay undisputed amounts to the Concessionaire within seven Days after the Department approves the undisputed amounts. Any such disapproved amounts will be available in a subsequent Disbursement Request if the reasons for disapproval are satisfied.
- (d) In the event that the mobilization payment is to be paid out of the Public Funds Amount, it will be paid in accordance with the provisions below in lieu of the provisions set forth in Section 3.
  - (i) Upon issuance of the earlier of an LNTP pursuant to Section 8.02 of the Agreement or notice to proceed pursuant to Section 8.03 of the Agreement, the Concessionaire may submit to the Department an invoice for 50% of the mobilization payment. Within 27 Days of receipt of such invoice, the Department will provide written authorization to the GARVEE Trustee to disburse 50% of the mobilization payment from the VDOT Funding Account to the Department. Following disbursement to the Department by the GARVEE Trustee of such amount, the Department will pay such amount to the Concessionaire within such 27-Day period.
  - (ii) Beginning on the month following receipt of payment of the first 50% of the mobilization payment, the Concessionaire may submit to the Department an invoice for the remaining 50% of the mobilization payment. Within 27 Days after receipt of such invoice, the Department will provide written authorization to the GARVEE Trustee to disburse the remaining 50% of the mobilization payment from the VDOT Funding Account to the Department. Following disbursement to the Department by the GARVEE Trustee of such amount, the Department will pay such amount to the Concessionaire within such 27-Day period.

Within 90 days of receiving the mobilization payment, the Concessionaire will provide documentation supporting the investment and expenditure of those funds to include:

- (A) Records on how the mobilization payment has been invested to include the dollar amounts and balances, investments owned (including the purchase and sale prices of such investments), and earnings on those funds;
- (B) Detailed list of expenses paid including invoices and other documentation supporting such costs; and
- (C) Letter signed by the Concessionaire certifying that the expenditures are eligible for reimbursement from federal-aid funds, including funds constituting proceeds of GARVEE bonds or other bonds secured by federal-aid funds, pursuant to applicable Law.

In the event that the mobilization payment has not been spent within 120 days, the Department will have the right to have the funds returned and disbursed according to the normal request process described in Section 4.

(e) This Section 4 applies neither to the 395 Project nor the Fred Ex Project.

## Section 4A Review and Approval of Disbursement Requests for the 395 Project; Payment by the Department

- (a) The Department and the Concessionaire acknowledge and agree that for the 395 Project: (i) the Disbursement Request is a submission requiring an Approval for purposes of Section 10.05 of the Agreement; and (ii) the "deemed approval" provisions of Section 10.05(e) of the Agreement do not apply to a Disbursement Request submitted pursuant to Section 3.
- (b) Unless otherwise *provided* under the Agreement (including Section 7.03A(b)(i)(B)), payments by the Department to the Concessionaire shall not exceed the 395 Public Funds Amount.
- (c) Within seven Days after approval by the Department of a Disbursement Request in compliance with Section 3, the Department will disburse funds for such amount approved by the Department to or to the order of the Concessionaire. Disbursement payments for the 395 Early Work shall be made in accordance with Section 8.17(c) of the Agreement.
- (d) If the Department determines that any portion of the Disbursement Request for the 395 Project is not eligible for funding pursuant hereto, the Department may disapprove the requested funds corresponding to such portion of the Disbursement Request. The Department will notify the Concessionaire for the reasons of such disapproval, and disburse funds to pay undisputed amounts to or to the order of the Concessionaire within seven Days after the Department approves the undisputed amounts. Any such disapproved amounts will be available in a subsequent Disbursement Request if the reasons for disapproval are satisfied.
- (e) To the extent that the Concessionaire has received a Virginia Transportation Investment Bank ("VTIB") loan for the 395 Project, the Concessionaire shall follow all requirements for requesting disbursement of such loan proceeds in accordance with the policies and procedures of the Virginia Resources Authority ("VRA"). Funds from the VTIB loan shall be disbursed upon written request of the Concessionaire and approval by the Department, according to VRA's procedures.

# Section 4B Review and Approval of Disbursement Requests Covering Fred Ex Financial Protections and Fred Ex Pooled Contingency-Covered Costs; Payment by the Department

(a) For any Fred Ex Financial Protections for which the Department will make an actual payment to the Concessionaire under Section 7.03B(c)(v), the Concessionaire shall submit to the Department a Disbursement Request within the first 90 Days after the Fred Ex Financial Close Date (or Fred Ex Additional Financial Close Date, if applicable), for an amount equal to the remaining unpaid Fred Ex Financial Protections, in accordance with Section 7.03B(c)(v).

- (b) If the Concessionaire requires any funds from the Fred Ex Department Committed Contingency pursuant to Section 8.22(b) of the Agreement, then the Concessionaire shall submit to the Department a Disbursement Request, together with the corresponding Fred Ex Pooled Contingency Fund Report required under Section 8.22(b) of the Agreement, and in the case of amounts in excess of \$300,000 (individually or in the aggregate invoiced on any work order), following receipt of the Fred Ex Pooled Contingency Approval or deemed approval, and the Department will pay undisputed amounts to the Concessionaire within 30 days. Any such Disbursement Request shall include the total amount of the Fred Ex Department Committed Contingency (or any additional funds for the Department's share of Fred Ex Pooled Contingency-Covered Costs) requested by the Concessionaire at the time, without regard to whether some or all of the corresponding Fred Ex Pooled Contingency-Covered Costs were the subject of a prior Fred Ex Pooled Contingency Approval.
- (c) The Department and the Concessionaire acknowledge and agree that <u>Section 10.05</u> of the Agreement do not apply with respect to any Disbursement Requests submitted with respect to any Fred Ex Pooled Contingency-Covered Costs.

#### Section 5 No Waiver

No approvals by the Department, or payments or disbursements by the GARVEE Trustee (if applicable), will be construed as an acceptance of any Work that is not in accordance with the requirements of the Agreement.

### **Section 6** Accounting of Payments Received

- (a) No later than 180 Days from the Final Acceptance Date (or the Substantial Completion Date, but only if none of the Public Funds Amount is used to pay costs incurred after the Substantial Completion Date), the Concessionaire will provide a final accounting to the Department, documenting the use of the Public Funds Amount.
- (b) No later than 180 Days from the 395 Final Completion Date, the Concessionaire will provide a final accounting to the Department, documenting the use of the 395 Public Funds Amount.
- (c) No later than 180 Days from the Fred Ex Final Completion Date, the Concessionaire will provide a final accounting to the Department, documenting the use of any funds paid by the Department to cover or reimburse Fred Ex Pooled Contingency-Covered Costs.
